

BUREAU —

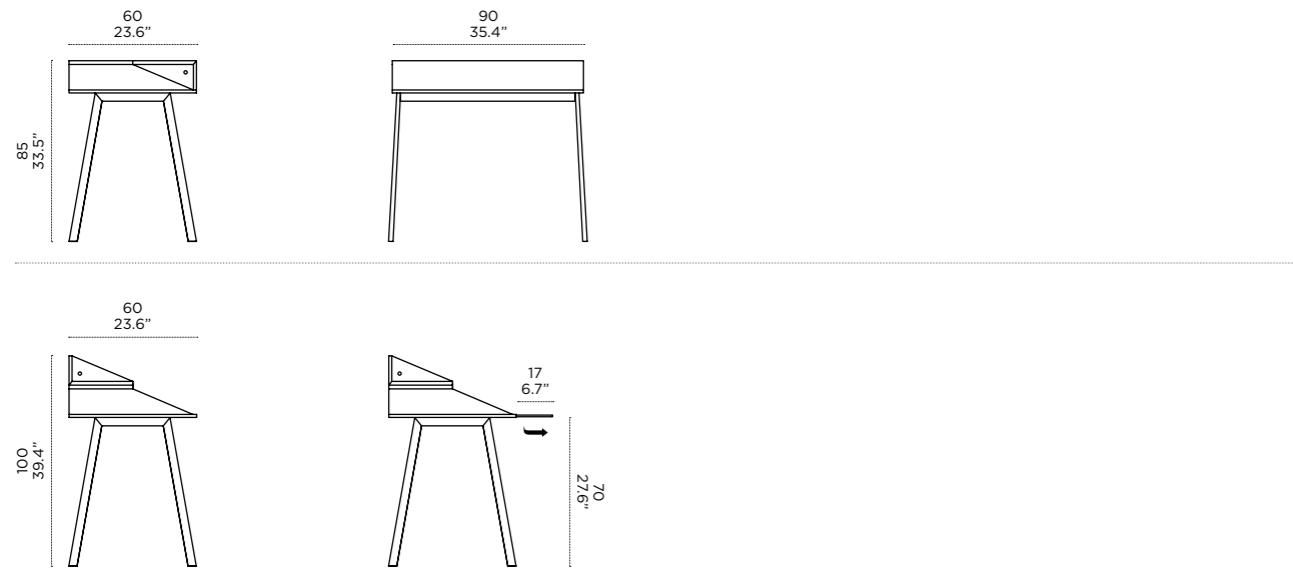

Esa Vesmanen, 2013

Bureau est un meuble bureau moderne, pour écrire, “naviguer” (sur internet) ou rêver (les yeux ouverts). Il est parfait pour les petites habitations où les espaces deviennent polyfonctionnels. Grâce à sa capacité à se refermer sur lui-même, Bureau se distingue, en effet, par sa discrétion, dissimulant à l’intérieur la vie privée de son utilisateur.

BUREAU — Bureau è un moderno scrittoio, per scrivere, “navigare” (in Internet) o sognare (ad occhi aperti). È ideale per le piccole abitazioni in cui gli spazi diventano poli-funzionali. Bureau infatti si contraddistingue per la sua discrezione, grazie alla caratteristica di richiudersi su sé stesso, celando al suo interno la privacy del suo utilizzatore.

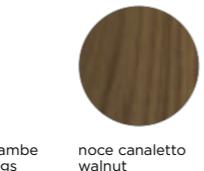

BUREAU — Bureau is a modern desk, for writing, “surfing” (the Internet) or daydreaming. It is ideal for small homes where the spaces become poly-functional. Bureau in fact stands out for its discretion, thanks to the characteristic of closing in on itself, hiding inside the privacy of its users.
