

Ptolomeo Vino Wall® / Bruno Rainaldi, 2010-2018

Portabottiglie verticale in metallo da parete. Tre misure. Componibile all'infinito.

Finiture colonna e mensole: laccato nero ed effetto corten opache, bianco lucido laccato RAL 9003, acciaio inox mirror con interno mensole in finitura satinata.

Accessori: tutte le mensole sono corredate da pratici elastici antiscivolo lavabili.

Wall-mounted vertical metal bottleholder. Three sizes. Endlessly modular.

Column and shelves finishes: lacquered matt black, matt Corten effect.

Lacquered glossy white RAL 9003, polished stainless steel (the inside of the shelves is satin finish).

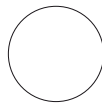

Accessories: all shelves are equipped with practical and washable slip-proof elastics.
